

SAPC-11627
Copy 5 of 6

18 December 1956

Burt:

Attached is copy 2 of Ralph's memo No. 11463 of 10 December 1956, with attachment No. 11464 of 11 December 1956. These papers deal with System No. 4 tests and test gear.

It is requested you review same and indicate whether the laboratory tests, flight tests and test gear indicated cover the subject. Your proposal for test gear, GFE or CFE, should be submitted as soon as feasible.

George
